## WORK EXPERIENCE

IT / MARKETING STAFF 2019 - 2023

### Y.SUZUKI NIHONGO LEARNING CENTER INC.

As the IT/Marketing Staff, you'll play a pivotal role in supporting both our technological infrastructure and marketing initiatives. Your responsibilities will include maintaining and troubleshooting IT systems, providing technical support to staff and students, and ensuring the smooth operation of our digital platforms. Additionally, you'll collaborate with our marketing team to develop and implement strategies to promote our language learning programs effectively.

2023 - 2024

### WEB DEVELOPER

### GURUTTO MANILA INC.

As a WordPress Web Developer, you'll be responsible for designing, developing, and maintaining our WordPress-based websites and applications. You'll work closely with our design and content teams to bring creative concepts to life, ensuring that our websites not only look great but also function flawlessly across various devices and browsers. Your expertise in WordPress development, along with your keen eye for detail and commitment to quality, will be instrumental in delivering exceptional user experiences.
